Afl 532.220 | USD 299.000

We just got this beauty, situated on a cul the sac in a small and quiet residential area in Siribana / Santa Cruz. The total constructed area of this 3 bedroom / 2 bathroom family home is 137 m² / 1507 sf. The parcel of property land (965 m² / 10615 sf) is fully fenced in and comes landscaped (with tropical and palm trees). The home is just painted in and out and comes airconditioned, secured with an alarmsytem and equipped with a European kitchen. There is also a refreshing kidney shape swimming pool surrounded by a natural stone terrace. The size of the land offers possibilities to expand the home and / or built an apartment. The lay out is as follows: covered entrance, livingroom, diningroom, kitchen, hall, laundryroom, 3 bedrooms, 2 bathrooms and covered backporch.
